

Smart Kiwis choose the Star treatment.

We are experts at creating and managing extraordinary niche vehicle insurance policies for owners of RVs, Motorcycles, Prestige, Vintage, Classic, Project & Performance, Modern Hobby, Motorsport and European cars.

As the industry's star niche vehicle insurance specialists, we deliver better customer experiences everyday.

We've set the industry benchmark for 360-degree policy support because everything we do happens in-house. Our full-service model ensures nothing is outsourced which means our incredible wealth of knowledge and expertise drives customer happiness.

We offer online quotes and an insurance ecosystem that ensures we personally evaluate every policy application to serve your best interests. Our policies are financially secured and guaranteed by Vero Insurance New Zealand Limited, which has been given an A+ insurer financial strength rating by Standard & Poor's.

You can spread out your insurance costs with monthly policies, choose from a range of flexible pricing options and on some policies a standard Roadside Assistance membership is included.

Meet the Star family.

Financial Strength Rating. Star Insurance policies are financially secured and guaranteed by Vero Insurance New Zealand Limited, which has been given an A+ insurer financial strength rating by Standard & Poor's.

01. Specialist insurance for special vehicles.

Star Enthusiast is for cars in a class of their own.

When your car's a bit special it requires specialist insurance. Star Enthusiast is for drivers who have special vehicle interests, and whose needs don't fit neatly into a box. We offer five specific but highly customisable Star Enthusiast insurance packages: Classic, Vintage, Project & Performance, Motorsport, and Modern Hobby.

At Star, algorithms don't determine your policy or its price. Instead, we work closely with you to determine the real value of your vehicle and its use. By engaging with you in a deeper level of insurance analysis we can craft a custom insurance policy that considers everything you need and protects you in the real world. By making precise policy tweaks we ensure everything is tailored to your needs.

We handle everything in-house, in record time, which means you only deal with decision-makers in one company for everything from quotes to claims. You can spread out your costs with monthly payments, choose a lower insurance premium in exchange for a higher base excess, or the other way around, and we provide multiple vehicle discounts when you insure more than one of your vehicles with us.

As niche vehicle insurance specialists, we're judged every day on our ability to provide the best Cover, Price, Support and Claims. And that's exactly what we do. We create extraordinary policies for Kiwis with exceptional vehicles.

07. Specialist insurance for special vehicles.

Specialist insurance for special vehicles.

The home of exceptional car insurance.

02. Star Enthusiast Classic

Classic cars, the epitome of style & elegance.

Star Enthusiast's Classic Car Insurance protects classic cars and passion projects. These vehicles go way beyond simple transportation and often become a labour of love. They're the epitome of style and elegance.

Ultimately, this rare vehicle category represents an investment that will continue to appreciate in value and desire. So it makes sense that you get special insurance from a company that understands classic car ownership to protect your investment.

We insure a wide variety of American collectables including Mustangs, Camaros, Corvettes and Thunderbirds as well as Europeans including the Porsche 356 and Australian classics from Ford and Holden.

We are here to protect the things you are passionate about. When you're ready to step up to modern insurance for your classic car, let us tailor a classic car insurance policy as unique as your vehicle.

03. Star Enthusiast Vintage

Exceptional vintage car insurance for history's custodians.

Star Enthusiast Vintage Car Insurance protects vintage cars and restoration projects.

If your car was manufactured between the years of 1919 and 1930 it qualifies for our vintage car insurance policy. We hold a special place in our hearts for vintage vehicles and their owners. Owning a vintage car is a rare pleasure. You're a special custodian who enjoys and preserves history. We're committed to helping you with your mission.

We work closely with you to determine the real value of your vintage vehicle, its living arrangements, if it's a work in progress, being restored, or if and how it visits club rallies and events. Once we determine its true value and how you use it, we craft a policy that fully protects your very special investment.

Some of the vintage vehicles we currently protect include Model A Fords, Model T Fords, Rolls-Royce 40/50 Silver Ghost, Bugatti Type 36, Alfa 6C 1750, Austin 7, Bentley Speed Six, and more.

04. Star Enthusiast Project & Performance

Custom insurance for your artistic expression.

Star Enthusiast Project & Performance is your tailored, competitive insurance for high performance, modified and project cars. Your high performer that needs high-performance insurance.

Our Performance Car Insurance usually covers vehicles like Nissan GTR, high-end Subaru Impreza, Toyota Supra, Mitsubishi Evolution and more. Our Modified Car insurance policies often cover cars like RX7, Nissan Skyline R32, R33, R34. And our Project Car Insurance is perfect when building project cars starting with a Mazda Familia, Nissan Laurel and many kinds of iconic late 90s to early 2000s Japanese cars, to end up with something truly unique. It's time to match your ride with high-performance vehicle insurance.

Note: If you're under 25 you'll have more hoops to jump through with us, but we're keen to chat and see if we can embrace you and your passion ride.

05. Star Enthusiast Motorsport

Motorsport insurance for enthusiasts and professionals.

Star Enthusiast Motorsport is comprehensive, customisable off track insurance for motorsport individuals and teams. Whilst we don't insure race cars on track during competition events, we can provide some of the best off-track insurance so you can concentrate on winning without the added fear of gear loss.

Our motorsport insurance covers loss and damage of competition vehicles and property including vehicle parts and accessories; tools and trailers whilst at their storage facilities and at home; when being transported to and from a race meeting in New Zealand or worldwide; in storage at an event; and when outside your accommodation at track events. You're even covered while your vehicle is being built, repaired or prepared for race day at a workshop, and you're protected against theft and fire.

06. Star Enthusiast Modern Hobby

Modern Hobby is insurance of special cars rarely driven.

We designed Star Modern Hobby for discerning vehicle owners with a car that they play with on weekends or goes out on special occasions. This policy is prestigious, unparalleled and customisable with all the same benefits of our Star Prestige policy but with a special premium.

Your prestige car would normally sit under our Star Prestige policy but because you don't drive it often, Star Modern Hobby is the right policy for you. It has all the benefits of Star Prestige but with a premium that reflects your vehicle's limited use. Your collection of cars might include Porsche 911, Porsche GT2 or GT3, Lotus Elise, a Ferrari Spyder model, or BMW Z4, etc.

To qualify for Star Modern Hobby, let us know which car is your daily driver (it doesn't have to be insured with us), as well as your nominated Modern Hobby vehicle (the one that leaves the garage rarely). Special toys need special insurance, even if they are rarely driven and admired by the public.
