05. Unparalleled insurance for prestige cars.

Your manufacturer's warranty is safe with Star.

With Star Prestige you will never be forced into accepting aftermarket parts in the event of a claim. All our approved repairers use manufacturer parts and approved systems and processes to bring your vehicle back to its original condition without compromising your manufacturer's warranty. You can even choose your own repairer.

Insurance for closed circuit events.

If you want to test your car's limits in a controlled environment we can help you participate in closed circuit events with little to no impact on your policy. Simply apply to extend your policy and we'll take a closer look. As we consider these applications on a case-by-case basis, please note that, in some situations, you'll need to meet strict criteria and not all requests are successful.

The home of exceptional vehicle insurance.

01. Unparalleled insurance for prestige cars.

Created by luxury and prestige car owners.

As luxury and prestige car owners we asked ourselves what we wanted to see in a prestige car insurance policy. Then we spoke to other luxury and prestige car owners to see if they agreed. They did. After starting with a blank piece of paper, we wrote what has become the industry benchmark for luxury and prestige car insurance.

Today, Star Prestige is the go-to elite vehicle insurance for discerning vehicle owners who desire New Zealand's most prestigious, customisable and unparalleled class of motor vehicle insurance policy. We are NZ's leading niche insurance specialists because we treat customers like family, not spreadsheet entries or statistics. Looking after family is what Kiwis do, and we're 100% NZ-owned and operated.

Our customers love us because we perform precise policy tweaks to provide tailored, comprehensible policies that perfectly fits each owner's specific needs. Unlike others, our detailed approach means that in the event of a claim only the highest standards of service and repairs are performed to maintain the vehicle manufacturer's warranty.

02. Unparalleled insurance for prestige cars.

Ultimate insurance protection for high-end, prestige & luxury cars.

Your vehicle is not just any run of the mill car. Our incredible attention to detail to protect your prized possession is just one reason why more prestige car owners choose us over others. Our standard policy benefits include:

- Our rating model is based on your usage and distance travelled
- Up to \$10,000 contribution for rental car costs whilst your vehicle is being repaired

- Guaranteed purchase price payment if vehicle purchased 'second hand'
- Contribution for rectifying the damage caused by incorrect refuelling
- Genuine parts used in repairs to ensure the integrity of the manufacturer's warranty
- Options for extended insurance whilst vehicle is being used on closed circuits / race tracks / driver training or experience days.

* Terms and conditions apply. Not all benefits apply to all policies. Please refer to the policy booklet (and your schedule) for further information or call us to discuss your specific needs.

Come and see why Star Prestige is unbeatable in the luxury, prestige and high-end insurance space.

03. Unparalleled insurance for prestige cars.

Got a second prestige car that rarely leaves the garage?

We wrote another policy, based on Star Prestige, for owners of special cars rarely driven. It's called Modern Hobby. This policy is also prestigious, unparalleled and customisable with all the benefits of Star Prestige but with a premium that reflects your vehicle's limited use. We understand drivers who don't want to take their high-gloss artwork out too often so that they can maintain their vehicle's pedigree and value by not adding unnecessary miles.

Your extra car might include Porsche 911, Porsche GT2 or GT3, Lotus Elise, a Ferrari Spyder model, or a showroom condition BMW Z4.

To qualify for Star Modern Hobby you must also own a daily driver vehicle (although that car doesn't have to be insured with us) and let us know what that is, as well as your nominated Modern Hobby vehicle (the one that leaves the garage rarely). We'll then let you know your best insurance options. Special toys need special insurance, even if they are rarely driven and admired by the public.

Not just annual policies.

Buying and paying your insurance premium once a year is not always convenient. Which is why we provide monthly insurance policies in addition to the industry standard of annual policies. Plus, if you choose to pay for your policy using a credit card, we won't charge any additional credit card surcharge fees. Whatever policy type you choose and whichever way you pay, you're fully covered from day one.

Flexible pricing.

We're flexible in our pricing approaches too. For example, if you want a lower insurance premium, choose a higher base excess. This is a good option if you think having an accident or experiencing theft is a low risk.
