INTO OUR
UNIVERSE

Meet the Star family.

Star Motorcycle pioneered tailored motorcycle policies, where everything can be customised to your personal needs. Not all bikes are created equal, but we insure them all, including: trikes, classic, collectible, off road, cruisers, sports, custom, scooters and touring bikes.

This is our elite vehicle insurance for high-end luxury and prestige marques. Discerning drivers choose Star Prestige because it's New Zealand's most unparalleled class of motor vehicle insurance tailored to their specific needs.

NZ's leading, benchmark insurance policies for motorhomes, caravans, 5th wheelers, converted buses, campervans and pop-tops. Once we discuss your needs we'll customise your comprehensive policy so it fits you like a glove.

Star Enthusiast is for drivers whose needs don't fit neatly into a box. If your vehicle's seen its 25th birthday, or it's a little bit unique, you're restoring it, or you only take her out for weekend drives, Star Enthusiast is made for you.

Our specialists know everything about insuring RVs, Motorcycles, Prestige, Classic, Unique and European vehicles.

We create and manage benchmark insurance policies for people who want the best protection, service and claims experience.

Vero backs us with a Financial Security A+ rating and we write all our insurance policies, make decisions in-house and communicate with our customers. And no, it's not cheaper going direct to Vero. Our caring and customer-focused team goes well beyond basics and ticking boxes, to building special relationships and ongoing trust with our customers.
